## MASONS GIVE LIBERALLY

Soliciting Committee for New Temple is Optimistic

The response from the members of Mt. Vernon Lodge during the past ten days has made it possible for the Soliciting Committee for the New Masonic Temple to make a most encouraging beginning. The record of subscriptions exceeded the expectation of the supporters of the movement and the Soliciting Committee are of the opinion that if the record already made can be maintained for three weeks, enough money will have been raised to guarantee the erection of the building, which has been the dream of the members of Mt. Vernon Lodge for the past fifteen years.

The proposed Temple would be the home of the Blue Lodge, Chapter, Commandery and Eastern Star and the co-operation of every Mason in the County is asked by the Committee.

The Committee requests this paper to heartily thank the members they have called on for their generous response and assure the others that if not called on they need not feel slighted, as their names are on the list.

### "The Call of the Dance"

Yankee Dolly, whose wonderful grace prompted Cornelius Vanderbilt to transport the whole "Merry Countess" company to his Newport home for a special performance some years ago, is the danseuse featured in Kalem's four act "Broadway Favorites" production, "The Call of the Dance." Miss Dolly is one of New York's theatrical idols and her appearance in the "Broadway Favorites" feature is a feather in Kalem's cap. She enacts the role of Natalie, a child of the slums, in the motion picture production. The girl's passion for dancing lifts her from her squalid surroundings, to a place among the most famous artists on the stage. Her beauty almost brings about her destruction, however, when it causes the head of the powerful Vice Ring who determine to possess her. "The Call of the Dance" comes to the BIJOU on Monday evening, Jan. 10. Here is a story which you should not miss!—adv.
